GROUP C PHASE 3 STREETS, DRAINAGE AND SIDEWALKS *Bonds for Better Bellaire 2016 Program*

Background The Bonds for Better Bellaire 2016 program approved \$20 million for street, drainage and sidewalk construction. The program will continue the City's practice to design and construct streets and drainage concurrently in one project with sidewalks installed on at least one side of the street. This project is the third of three that was approved with the funding.
